Green Earth Cleaning, LLC  
406 East Banister Road Suite C  
Kansas City, MO 64131-3028

Dear Mr. Barry,

I have reviewed your product information and do not see any problem with the use of your product in dry cleaning operations, as long as the equipment is specifically designed for this use.

I am happy to see products like this that will help protect our environment.

Sincerely,

A handwritten signature in black ink, appearing to read "Kirk F. Middleton", is written over the word "Sincerely,".

Kirk F. Middleton  
Chief Fire Inspector
